

Prompts for Supporting Inferring

Why did the character say that (restate the words?)

What were the character's inner thoughts that were **not** spoken?

How does the **tone** of **voice** you imagine for the character help you understand his or her mood?

How does the **tone** of **voice** you imagine for the character help you understand his or her feelings?

Try to visualize the character's expression and gestures. What can you infer from these?

What **WORDS** said by the character enable you to infer feelings, attitude, personality and inner conflicts?

What influenced the character's action?

How did the character's action affect the outcome of an event?

What would have happened if another event had not occurred?
