

The 3 Kinds of Questions

STOP

- What is...?
- I wonder why...?
- What would happen if...?
- Why do ...?
- How could...?
- Why do you think?

The question is not directly answered in the text. Stop and think about what you know to help you.

**SLOW
DOWN**

- How are ___ and ___ similar?
- How are ___ and ___ different?
- What caused...?
- What are some examples of...?

Slow down and look in more than one place in the text to help you find the answer.

GO

- Who...?
- What...?
- Where...?
- When...?
- How...?

Go directly to the text find the answer.
